

Acting Global. Proudly Local.

Local Waste Disposal & Recycle Collection

Garbage Bin Rental, Waste Disposal & Recycle Collection For The Greater Edmonton Area

We keep waste disposal simple, economical and local.

FLR Waste Services (FLR) is a locally owned garbage bin rental, waste disposal and recycle collection business servicing the Greater Edmonton Area. We're easy to work with, have simple contracts, flexible service and integrity in all we do. Ultimately, we save you time and money with your garbage bin rental, waste disposal and recycle collection needs.

Locally Owned & Operated

Working with a local waste company like FLR means we're here when you need us.

DID YOU KNOW? Spending locally returns 3X more back to our local economy.

Involved In Our Community

We believe giving back to our community is one of the most valuable things we can do.

DID YOU KNOW? We donate over \$30,000 in services every year to local charities.

Easy To Do Business With

At least that's what our customers tell us. Let's grab a coffee and start a great relationship.

DID YOU KNOW? Our parent company, Fenceline has been in business for 22 years.

Custom Waste Solutions For Your Organization

Whether you manage large scale construction and demolition projects, operate a commercial business, multifamily residence, community institution or municipality, we can tailor a waste management plan for your budget and schedule.

Every organization needs a reliable approach to getting rid of waste. That's why FLR offers a wide range of garbage bin styles and sizes with customizable pick-up schedules and prompt customer service. Let us create an environmentally-friendly and cost-effective program to suit the specific needs of your organization.

Wide selection and broad inventory of:

- ✓ Front Load Garbage Bins
- ✓ Roll-Off Garbage Bins
- ✓ Dirt & Concrete Bins
- ✓ Compactors
- ✓ Self-Dumping Tipping Hoppers
- ✓ Curbside Pick-up
- ✓ Recycling
- ✓ Totes

Flexible Scheduling

Do you like reliability and consistency? So do we. Let's work together to create a service schedule so you can stay focused on keeping your project moving forward.

Reporting

Our team collects data on your project's waste loads for you. If you notice you're consistently higher or lower than you anticipated, we can adjust your agreement as needed.

Dedicated Support

We're here to support your waste goals. Your dedicated FLR support team is professional, easy to reach, experienced in serving all industries and values your time.

Our safety certifications, memberships and affiliations include: Avetta and COR. We are also in excellent standing with WCB.
